This publication *A Commentary On Lysias, Speeches 1-11 By S. C. Todd* deals you much better of life that can produce the top quality of the life brighter. This A Commentary On Lysias, Speeches 1-11 By S. C. Todd is exactly what individuals currently need. You are here as well as you might be exact and sure to obtain this book A Commentary On Lysias, Speeches 1-11 By S. C. Todd Never ever question to get it also this is just a publication. You can get this publication A Commentary On Lysias, Speeches 1-11 By S. C. Todd as one of your compilations. However, not the compilation to present in your shelves. This is a valuable publication to be reviewing compilation.

Exactly how is making certain that this A Commentary On Lysias, Speeches 1-11 By S. C. Todd will not shown in your bookshelves? This is a soft file publication A Commentary On Lysias, Speeches 1-11 By S. C. Todd, so you can download A Commentary On Lysias, Speeches 1-11 By S. C. Todd by purchasing to obtain the soft data. It will certainly ease you to review it whenever you require. When you really feel lazy to move the printed publication from home to office to some area, this soft file will reduce you not to do that. Since you can just save the data in your computer hardware and gizmo. So, it allows you review it anywhere you have determination to review A Commentary On Lysias, Speeches 1-11 By S. C. Todd

A COMMENTARY ON LYSIAS, SPEECHES 1-11 BY S. C. TODD

PDF

Lysias was the leading Athenian speech-writer of the generation (403-380 BC) following the Peloponnesian War, and his speeches form a leading source for all aspects of the history of Athenian society during this period. The speeches are widely read today, not least because of their simplicity of linguistic style. This simplicity is often deceptive, however, and one of the aims of this commentary is to help the reader assess the rhetorical strategies of each of the speeches and the often highly tendentious manipulation of argument. This volume includes the text itself (reproduced from Carey's OCT and apparatus criticus), with a facing translation. Each speech receives an extensive introduction, covering general questions of interpretation. In the lemmatic section of the commentary, individual phrases are examined in detail, providing a close reading of the Greek text. To maximize accessibility, the Greek lemmata are accompanied by translation, and individual Greek terms are mostly transliterated. This is the first part of a projected multi-volume commentary on the speeches and fragments, which will be the first full commentary on Lysias in modern times.

Outrageously priced. Don't buy. Don't get your library to buy.

By Jep

It doesn't matter how fine the scholarship is - and Todd's is a fine commentary - don't buy this book and don't get your library to buy it. Quite simply, Oxford University Press needs to be shut down if it wants to offer

books at this exorbitant price. And the only way they will get that message is if noone buys their ridiculously priced tomes (which these days also fall apart within weeks). Don't wonder why Classics Departments are dying; this book is a perfect explanation: make classics totally inaccessible to all but the richest universities, and for God's sake, don't ever, ever think to make such work accessible to the general public, especially when it is they, more often than not, who fund the scholars and the scholarship behind these volumes.

psychotic pricing

By Margaret Imber

who would ever buy a kindle book priced at \$200 something? It's a shame because Todd's a brilliant and accessible scholar and anything on Lysias is welcome. But the publisher or Amazon has set a price that guarantees individuals won't buy this book. I'd strongly urge my college library on spending this much on a single ebook as well.
