Amazon.com Review

Katherine Stone creates a captivating blend of wistful romance and thrilling intrigue with A Midnight Clear. When renowned trauma surgeon Jace Chandler encounters a painfully thin Julia Anne Hayley on a Christmastime flight to London, she is clutching a child's bedraggled, obviously well-loved stuffed rabbit. Julia has come to say good-bye to the ghosts of Christmases past while Jace is heading up a medical mission in a Balkan war zone to avoid confronting the Yuletide and the tormenting 20-year-old memories it holds. Thrown together in the midst of holiday chaos, Jace and Julia finally begin to heal themselves and each other. At the end of their six-day idyll, each carries part of the other--Jace has new, joyful memories of Christmas seen through Julia's violet eyes to help him through the atrocities of war, and Julia is pregnant with Jace's baby. A moving contemporary not to be missed. --Alison Trinkle

Katherine Stone's magical touch makes *A Midnight Clear* a story for all seasons.”—Book Page Thunder sounded anew, closer now, an ominous rumbling, a ferocious growl. Both of them greeted the sound with gentle smiles. Then Jace spoke without smiling, but with such gentleness still, as lightning illuminated the night gray sky. “I think, Julia, that you are absolutely fearless.” “No, Jace. I’m not. On paper maybe I might seem that way. On plans conjured months in advance and an ocean away. But now that I’m here . . .” “I would be very happy to prove my point. By accompanying you to Canterfields.” “Really?” “Of course.” “I . . . yes. Thank you. That makes me feel safe.” Oh, Julia Anne Hayley, he thought, you are not safe with me. For him, love was a nightmare . . . Haunted by memories of a Christmas Eve inferno, trauma surgeon Jace Colton guards his solitude as fiercely and as passionately as he tends to the desperately injured who need his care. For her, love is an awakening . . . Julia Anne Hayley's memories are lovely, not haunting, a billowy cocoon in which she has hidden from life, from living, far too long. But she knows it is time to leave the solitary sanctuary that is her home, and, if she dares, to fly. Jace and Julia have six magical days—and nights—in London at Christmas. But their Christmastime enchantment is like a snowflake, delicate, perfect, and destined to die. The magic cannot possibly last . . . can it? Praise for the novels of Katherine Stone: “Katherine Stone’s unique voice is clearly evident in this newest lyrical tale . . . an almost mystical quality that is distinctly her own.”—*Romantic Times* on *A Midnight Clear* “A shimmering, hypnotic story of two wounded souls who heal each other. An addictive and indulgent treat.”—*Bookbug* on *A Midnight Clear* “Remarkably romantic and thoroughly enchanting.”—*Rendezvous* on *Pearl Moon* “Poignant . . . Cass is an intrepid heroine, but it is Chase who wins our hearts when he refuses to allow Cass’s seeming betrayal to stop him from protecting his beloved.”—*Midwest Book Review* on *Bed of Roses* “Fairytale elements mix with those of a present day romance for . . . thoroughly enjoyable results.”—*Kirkus Reviews* on *Rainbows* Katherine Stone writes “in the vein of Danielle Steel and Sandra Brown”—*Library Journal* “Alluring . . . Fascinating . . . Each page brings a new adventure, every plot twist another question begging to be answered.”—*Rendezvous* on *Imagine Love* “Heart-tugging . . . few romance fans will remain unmoved.”—*Publishers Weekly* on *Thief of Hearts* Katherine Stone's "high quality romance ranks right up there with Nora Roberts."—*Booklist* “Sweeping drama . . . Her most emotionally charged and intricate story of love yet.”—*Romantic Times* on *Imagine Love* Katherine Stone is the New York Times bestselling author of twenty-one novels, including *ROOMMATES*, *PEARL MOON*, *LOVE SONGS*, *HAPPY ENDINGS*, and *THIEF OF HEARTS*. A DELIGHTFUL , SPARKLING CHRISTMAS STORY

By A Customer

FROM THE BOOKCOVER: For him, love was a nightmare. Haunted by memories of a Christmas Eve inferno, trauma surgeon Jace Colton guards his solitude as fiercely and as passionately as he tends to the desperately ill who need his care. For her, it is an awakening. Julia Anne Hayley's memories are lovely, not haunting, a billowy cocoon in which she has hidden from life, from living, far too long. But now her cherished sister is gone, and at last she must dare to fly ... Now they both need a miracle. They have 6 days, 6 nights, in London. Their time together is like a snowflake; delicate and perfect, it cannot last. Jace must leave to help the victims of a terrible war. And when tragedy strikes anew, Julia and Jace must hope for the magic that comes only on *A Midnight Clear*.

If you are interested in a quick, mainstream read, this is not the book for you. *A MIDNIGHT CLEAR* is written like poetry; you have to actually think as you read. It was awkward for me, at first, to get into the flow of the text, but once I did, sometime into the 2nd chapter, I was literally enchanted. The beauty of this book will stay with you long after you've finished it.

Not worth the price of a paperback

By A Customer

There's usually enough intrigue packed into a Katherine Stone novel to outshine many other authors in this genre. Not this one. A draining, emotionally overwrought storyline. One dimensional characters. Leaves the pulse flatlined. Miracle menses and conception just in time for holiday publication (what more do you need to know?) File this one under inspirational, NOT contemporary romance. Hopefully, this was just Ms. Stone's opportunity to make a quick holiday buck and she'll be back on track to satisfy her readers soon.
