I loved this book

By Anne Cloward

What a story! A young brilliant woman gives up a career and joins the underground world of polygamy just as it is being outlawed by the LDS church. She tells her story without pity or sensationalism, just honestly. Excellent reading.

WOW

By Maclane Heward

This is a great book. It is difficult to understand Mormon polygamy but this books gives an honest look into how the practice was FOR ONE PERSON. More research is required to inform a reader about the practice overall.

touching

By Susan Tanner

Annie seemingly did not want to be disloyal to her beliefs but very clearly experienced the downside of plural wives.
