Concise and To the Point

By Amazon Customer

This was the quickest and clearest picture of Vitamin D I have read yet. I LOVED that she isn't trying to sell anything. I also like that it is a short and HELPFUL resource I can take to my Dr.

Wouldn't recommend.

By P. R.

Not much of a story here. A lot of the book talks about the benefits of vitamin D. As far as Autism treatment there were not enough examples.
