The hilarious, touching life story of the creator of AbFab and one of most brilliant minds in comedy

Jennifer Saunders' comic creations have brought joy to millions. From Comic Strip to Comic Relief, from Bolly-swilling Edina in Ab Fab to her takes on Madonna or Mamma Mia, her characters are household names. But it's Jennifer herself who has a place in all our hearts. This is her funny, moving, and frankly bonkers memoir, filled with laughter, friends, and occasional heartache—but never misery. This memoir is full of riotous adventures: accidentally enrolling on a teacher training course with a young Dawn French, bluffing her way to each BBC series, shooting Lulu, trading wild faxes with Joanna Lumley, and touring India with Ruby Wax and Goldie Hawn. There's cancer, too, when she becomes "Brave Jen." But her biggest battle is with the bane of her life: the Laws of Procrastination. As she admits, "There has never been a Plan. Everything has been fairly random, happened by accident or just fallen into place. I'm off now, to do some sweeping." Prepare to chuckle, whoop, and go bonkers.

Fun and informative. A must for all F&S fans

By Kristin J Alkire

A must for any French & Saunders fan. Jen Saunders has always been extremely private and while this is by no means a tell-all book, it does give a lot of insight into what my favorite comic was (or was not, as was often the case) thinking. Funny, sweet and with nothing bad to say about anyone ( how refreshing!) this is a fun, easy read that will give you a little bit more insight into F&S. Do not expect a nice, linear timeline. This book jumps all over the place, much like a comedy bit. Just sit back and enjoy.

God I love this woman!

By Amazon Customer

Having read this book I now feel like Jen and I could be the best of friends. A very intimate and entertaining read. Along with "Dear Fatty" by Dawn French these books are my all time favourite autobiographies. Can't wait for the Absolutely Fabulous movie! And yes Jen there has to be one.... think of your fans!

One of the best memoirs I've read!

By Eric

Jennifer Saunders is amazing in every aspect, this is an amazing collection for fans of her work. It covers French and Saunders, Girls On Top, AbFab, and Jam and Jerusalem. It's full of insights, personal stories, and hilarious situations. I highly recommend it for anyone, even if all they know her from is the voice of the Fairy Mother on Shrek.
