read straight through

By IowaAngela

This book is wonderfully written! It has everything that you can want in a story. Magic, romance, mystery, battle, family and magical creatures.

Princess Samantha (Sam) is raised in a kingdom where magic is outlawed, her own brother was forced to leave seven years before because he practiced magic. When Sam receives a message from Her brother asking her to come to him at once she devises a plan to get away from her parents to try to convince her brother to come back home.

Wills is the prince of a neighboring country and decides to help Sam on her journey. He begins to care for her but is not sure that he can trust her.

You will not want to put this book down. You will keep reading so you can find out why magic was banned, what really happened to the king's mother (Sam's grandmother), what is happening to Sam, and so much more. This is truly a well written tale. My only reret is that there is not more to read. I thoroughly enjoyed the characters and the plot. S.G. Rogers is an author I will be keeping an eye on.

A magical novella

By Muddy Rose Reviews

A magical novella

Princess Samantha of Paloran tires of her endless string of suitors. Her heart's desire is to travel and find her brother, long banished from the kingdom due to his magical powers. Prince Wills of Insolita enjoys traveling. His parents have asked him to stop in Paloran and visit their friends, Samantha's parents, and so he does.

Samantha sees Wills' visit as a lucky break, and she talks her parents into letting her accompany him home. On the road, danger, passion, and enchantment beset them.

I truly enjoyed the magical elements of this story.

S.G. Rogers Clash of Wills has added another magical YA novella to the stars in her fantasy world. Princess Samantha is clever in avoiding suitors, but she meets her match in Prince Wills. And when Will agrees to join a quest to find Samantha's missing brother, readers will be both entertained and surprised with by some great twists. Rogers adds some fabulous details, from the Stairs of Tears to the food to the clothing and magical effects. Chalk up another notch on Rogers' belt for clean, winning fiction!
