Most helpful customer reviews

3 of 4 people found the following review helpful.

Possibly the best TAB book ever released

By Just Lil' Ol' Me

If you are a Floyd fan, and particularly a fan of David Gilmour's, you simply must have this book in your library.

Coverage of Gilmour's guitar work is the best I've seen.

Unfortunately, it looks like it's out of print right now. I suspect it will return or you could find it elsewhere on the net.

It would be worth the effort.
