working differently

By Erin

The way they work on the farm has changed, she is going out now to a cowboy who wants her for her special skills.

Have to say it is a hot and sexy read, I like the way the cowboy handle his ropes.

There could have been a bit more lactating in it, to make it a perfect huCow story

Sexy and well-written human cow story. I don't read much in this particular genre, but after Cowboys Love Cream 1 and 2, I may start doing so!

Not bad

By Debs

Not a bad book. There was more sex then lactation, but there was a lot of sex packed into a few pages.
