A celebration of theater, echoes of Barrymore...

By S. Meigs

This is a witty, rakish, stylish tribute to all actors in general, and Barrymore in particular. It's a wonderful play for a local theater group (I say that from experience). If you're an aspiring playwright, this is one you'll wish you had written. Rudnick's "Notes on Production" are very informative.

Be ready for a challenge, actors: "Dying is easy. Comedy is hard."

Amusing and Flyweight Farce

By Gary F. Taylor

Although he best known on the professional stage for JEFFREY, a wry and slightly bitter comedy on the subject of homosexuality and HIV, Paul Rudnick is best known on the non-professional stage for I HATE HAMLET, an amusing farce that tears a page from Noel Coward's legendary BLITHE SPIRIT.

A television actor whose series has just been canceled, Andrew Rally is in New York to perform the title role of Hamlet--a role he doesn't want in a play he doesn't like. A flaky real estate agent who claims to have psychic powers talks him into renting the former apartment of long-dead John Barrymore, one of the most acclaimed Hamlets of his generation; needless to say, an impromptu seance seems to vent forth the ghost of Barrymore himself, who comes to make sure that Andrew does the role, like it or not.

There is, of course, a little bit more to it than that, and the plot also concerns Andrew's eccentric (and chain smoking) agent; his determinedly virginal girl friend; and an ultra-California producer type who wants to see Andrew take the easy television and run instead of striving for 'art' in New York. Add in swordplay, Barrymore's infamous lechery, and a host of complications and the result is a charming bit of flyweight fluff that moves a long at rapid clip.

Like many plays of the genre, I HATE HAMLET tends to deal in obvious stereotypes and time-honored constructions; it is no less amusing for that, and if you know something about Shakespeare, HAMLET, and

Barrymore you'll find it all the more entertaining. Recommended.
