Great Study

By James

Wonderful addition to the study of the book of Acts. The book is formatted in a way that each chapter goes along with each of the chapters in Acts. Follow the early church in detail along with your reading.

A concise and informative book well recommended

By Evelyn Myree

I have a hard time sometimes re-reading school books. I bought this one and another (Acts--Holman NT Commentary). I find it rather difficult to even read the Holman book thru once but I find myself returning to Kent's book on quite a few occasions.

The reason is He's very readable, he doesn't get bogged down in too much detail and provides biblical application for today.
