the book itself is great. One of the best in the field

By Mr P. Kapetanopoulos

Although the shipping costs were high, and there were custom taxes, as well, the book itself is great. One of the best in the field, in my opinion.

The best in the field

By J. Lee

The best book of its kind. No conference/course lecture I've attended about reconstruction of head and neck wounds supplants this awesome reference text which is now in its 3rd edition.
