Angst filled mystery

By danikat

I like this author, and I loved the first two books in this series, but honestly it's enough now. This book was a long angst filled drama, with repetitive conversations between the family, and between Zoey and Val. All of that played on a loop while Leo and Jessica found their way through the story, though with none of the steam found between Zoey and Val, or Angie and Roman...and still no payoff. No answers, no resolution, just more angst. I just finished the book and I feel worn out and unsatisfied. As I said I like this author, but these kinds of long drawn out mysteries/series are not for me. For those who enjoy that, this series is for you.

I feel a little let down. So many side story and it did really feel cohesive to the first two stories as far back stories go hope the final one pull it all back cuz right now I'm left with more questions than answers.

Not my favorite Romanovsky read

By ReadAlot

I like Ms. Burns' Romanovsky series and enjoy reading them. This one was pretty decent but nothing has beat Taming Val. I like how Val and Zoey's story continues through this book, I had trouble believing the chemistry between Leo and Jessica/Ashley in this book. It seemed forced. I liked seeing glimpses of Roman's struggles in his relationship with Angie. The book was like an action packed, FBI mystery but was well written and enjoyable. Now can we read Gary and end this already
