Review

'The book questions the programmatic complexity of contemporary architecture in its utmost urban implications. Although remarkably different in their approach, the projects now featured in this book carry the strong attempt to preserve the social qualities of architecture in a mutating economic environment', D. Carrapa, A Barriga de Um Arquitecto

'Next. Collective Housing in Progress, el nuevo libro de a+t architecture publishers sobre vivienda colectiva. Este volumen forma parte de la serie Densidad y hace especial hincapié en el relleno de la ciudad consolidada', Edgargonzalez.com
