POLES APART BY KIRSTY MOSELEY PDF

He's pole position...

Carson Matthews, the hottest driver ever to hit the MotoGP circuit, is living the carefree, celebrity lifestyle. With little to worry about, other than keeping himself top of the leader board, his favourite weekend pastime is visiting a certain blonde at Angels Gentlemen's Club.

She's a pole dancer...

Emma Bancroft, a part-time lap dancer, is just trying to make ends meet. Her responsibilities weigh heavily on her, as does the secret she's kept from everyone for the last two and a half years.

The two of them are poles apart.

A new full length, New Adult romance from international bestselling author Kirsty Moseley.

Emma Was An Idiot

By Book Nerd

I couldn't really get into this book because Emma was too naive....no she was just plain out stupid! The decisions she made weren't good ones and then her not being able to comprehend what is going on or what is being said was annoying. The fact that she was allowing for her child to live in the conditions that she did when she didn't have to.....*rolls eyes* maybe it's the mother in me, but there is NO way I would allow that! I wouldn't care WHAT the father thought of me as long my child was taken care of. This book would have been ok but Emma was too stupid and Carson all of sudden becoming bi-polar and no longer the sweet man that she came to like....yeah this book was just all kinds of wrong. This author is slowly losing my interests with her last few books. They have been lacking and leaving me of less and less of a fan. In my overall

opinion if you like strong heroine's or smart ones then this book isn't for you. If you don't care about the characteristics of the h then this book would probably be right up your alley.

Great!

By Claire F

I have to say that I'm a big KM fan and was looking forward to this one a lot. It did not disappoint.

A world famous motorbike rider and a girl who works as a lap dancer? From reading the blurb I was excited to get to the story behind this. I was thrown straight in to a awesome story of secrets, misunderstanding and ultimately forgiveness that was super exciting and fun to read.

I loved Emma. She is a young woman with a lot of responsibilities and has some hard decisions to make. Did I always agree with those decisions? No, but she is a great character with lots of depth and I can totally get where she is coming from. I love that Kirsty Moseley has a great knack for writing characters that you can truly connect with.

Carson was equally as good. He is strong and stubborn but has a softer side that I really loved.

There were also some other good supporting characters in the book. I particularly liked Emma's brother. He was awesome.

The story flowed well with plenty of emotion and romance with some added angst which I loved. It pulled me in from the outset and had me hooked until the end. The writing, as always with KM was excellent and I was sorry when this book ended.

All in all a great story from start to finish. I would definitely recommend it to all.

5 stars from me.

Reviewing for Calling All Bookaholics :)

Different than expected but LOVE!!

By Natasha

Let me just start out by saying I am a HUGE Kirsty Moseley fan, I have read all of her books and I think she is truly talented! As soon as I heard Kirsty had a new story out I one clicked the pre-ordered!

'Poles apart' is definitely different from KMs other books, that's for sure but that isn't to say that it is a bad read.

This story starts off with us seeing into the life of a young women who has had a hard life, in fact still does. She works in a strip club to provide for her little brother and daughter, to pay the bills and go to uni, she often has to go with food herself to insure the others get to eat. It is not much of a life, but it will have to do for a 18 year old women who's parents want nothing to do with her and has a family to provide for.

Carson Matthews is a wealthy motor bike, racing driver who wants for nothing. He can have anything he wants, from the cars, the big house, to a choice of women. However his heart desires on women, the women who he sees weekly, the one he pays for. Her name is Emma Bancroft!

She was sixteen when she met him at her first place of work. Every week he was there. Little did she know he was at the club to see her! But Emma can't see that Carson only has eyes for her. She's been in love with this drop-dead gorgeous man since she first laid eyes on him but she doesn't think that he'd be interested in a girl like her. So she settles for what they have at the club, spending their time together in the back-room of the club. The back-room being meant to be a seedy place where the men come to the club can touch and have their way with the workers. However between Carson and Emma what follows is a passionate, tender, heated and loving night.

Carson takes his time with Emma, making her feel wanted and loved. It's like there's no one else in the world but the two of them. He cares for her, looks out for her, and the feelings and chemistry is so hot between them that the inevitable occurs. They both end up wanting more. What started out so perfectly, now isn't. Problems start stacking against them. Being apart doesn't help their fears and insecurities, and of course, Emma's secret. Will their love be strong enough to stand up against it all? Now both their lives have been turned upside down. How will they react and deal with what has happened? Can love heal all, or will it destroy them both?

I do feel that there was something missing, not that the storyline was rushed but just that I wanted to see more into Carson and Emma's story. Possible dual povs might have been a good insight into the story, getting to hear from Carson also.

Some parts of this story are a little unrealistic. However that's what story's are for to take us into a world of fancy, and make us believe that anything can happen.

I have very much enjoyed this book by Kirsty, I LOVED it! I love her and I do recommend it! 4* Star!
