Not a good play-a-long

By trumpet one

This book and CD set is not a good play-a-long. A good play-a-long set includes a version of the audio that doesn't have the part you're playing. This set doesn't include such a version.

Great book (again) by Hal Leonard.

Exactly what I was looking for. Great song selection with music that wasn't too crazy for my 8th grade son.
