From Publishers Weekly

Starred Review. In this artful, disquieting, yet surprisingly jubilant memoir, Jesuit priest Boyle recounts his two decades of working with homies in Los Angeles County, which contains 1,100 gangs with nearly 86,000 members. Boyle's Homeboy Industries is the largest gang intervention program in the country, offering job training, tattoo removal, and employment to members of enemy gangs. Effectively straddling the debate regarding where the responsibility for urban violence lies, Boyle both recounts the despair of watching the kids you love cooperate in their own demise and levels the challenge to readers to stand in awe at what the poor have to carry rather than stand in judgment at how they carry it. From moving vignettes about gangsters breaking into tears or finding themselves worthy of love and affirmation, to moments of spiritual reflection and sidesplittingly funny banter between him and the homies, Boyle creates a convincing and even joyful treatise on the sacredness of every life. Considering that he has buried more than 150 young people from gang-related violence, the joyful tenor of the book remains an astounding literary and spiritual feat. (Mar.)

“Destined to become a classic of both urban reportage and contemporary spirituality.”

"Incandescent, always hope-filled and often hilarious. Boyle somehow maintains an exuberant voice that celebrates the strength, compassion and humanity of people often demonized. He simply highlights charity and goodness wherever they are found. Boyle intersperses his narratives about gang members and his work with them with theological and spiritual reflections from a variety of theologians, poets and other writers. By introducing book-buying, highly educated readers to people we may never otherwise encounter, Boyle aspires to "broaden the parameters of our kinship."--"The Christian Century"

"Father Boyle reminds us all that every single child and youth is a part of God's 'jurisdiction'--and when they know that we are seeing them as God does, they are capable of great things. Father Boyle is a national

treasure."

--MARIAN WRIGHT EDELMAN, PRESIDENT, CHILDREN'S DEFENSE FUND

"A spiritual masterpiece touching the innermost sanctum of the human soul. Boyle approaches each person as a child of God and fully deserving of love and compassion. His capacity to reach the heart of the most hardened, and to see the best in everyone, inspires. I laughed, wept, and underlined on virtually every page."

--KERRY KENNEDY, FOUNDER OF THE RFK CENTER FOR JUSTICE AND HUMAN RIGHTS

"One of the bravest, most humane, heartbreaking, brilliant, and hopeful stories I've read in ages. Father Greg, the Gandhi of the Gangs, fills Tattoos with unquenchable soul force and down-to-earth love." --JACK KORNFIELD, AUTHOR OF A PATH WITH HEART

"Tattoos on the Heart is an astounding book and a remarkable testament. No one brings more triumph and tragedy to the street gang story than Greg Boyle. No one brings more conviction and compassion than Greg Boyle. And no one writes the gang story more beautifully."

TATTOOS ON THE HEART: THE POWER OF BOUNDLESS COMPASSION BY GREGORY BOYLE PDF

For twenty years, Gregory Boyle has run Homeboy Industries, a gang-intervention program located in the Boyle Heights neighborhood of Los Angeles, the gang capital of the world. In *Tattoos on the Heart*, he distills his experience working in the ghetto into a breathtaking series of parables inspired by faith.

Arranged by theme and filled with sparkling humor and glowing generosity, these essays offer a stirring look at how full our lives could be if we could find the joy in loving others and in being loved unconditionally. From giant, tattooed Cesar, shopping at JCPenney fresh out of prison, we learn how to feel worthy of God's love. From ten-year-old Lula we learn the importance of being known and acknowledged. From Pedro we understand the kind of patience necessary to rescue someone from the darkness. In each chapter we benefit from Boyle's gentle, hard-earned wisdom.

These essays about universal kinship and redemption are moving examples of the power of unconditional love and the importance of fighting despair. Gorgeous and uplifting, *Tattoos on the Heart* reminds us that no life is less valuable than another.

Every human being should read this book

By M. Gonzalez

It's about what it means to be human, to seek the goodness within ourselves and everyone and everything around us. It is thoroughly entertaining, instructional, thought-provoking, inspirational, faith-restoring... I am halfway through the book and torn between devouring the rest in one sitting or drawing it out as long as possible. It's one of those books that you know you will be sad when you reach the end because you loved it so much.

A Spiritual Classic!

By Christopher Seppelt

I heard Fr. Greg Boyle speak a few years ago at a conference in Los Angeles and he is without question the best speaker I have ever heard. What is so impressive about his faith journey is that it is lived. The stories of human transformation described in the book are some of the most moving and inspiring spiritual narratives that I have encountered. At a time when it is so easy to become so cynical about institutional faith his writing breaks through with a spiritual force that reminds us of true meaning of faith.

Tatoos on the Hearts brings tears from your soul!

By D. Anderson

Whenever Fr. quotes one of the "homies," I cannot help but cry. The simple yet deep wisdom they speak makes this very slow and prayerful reading. I have to stop and meditate. It is hard only because I also want to rush through the pages. The writing is fascinating and inspired! It's on my kindle, but know it's a book I want on my shelves. This is gospel!
