Amazon.com Review

Ever since Mark's parents died, he has been living with Bryon. The boys are more like brothers than mere friends. They've been inseparable--until recently. Something seems to be changing between them, and Bryon can't figure it out. Is it Cathy, Bryon's new girlfriend? Is Mark jealous? Bryon is also tired of the street fighting, but Mark seems unable to quit. And where is Mark getting all of that money? In *That Was Then, This Is Now*, one of her most admired novels, S. E. Hinton paints a richly textured portrait of two boys at a crossroads in their friendship. With careful, intimate strokes, Hinton reveals a boy struggling over whether to protect his best friend or whether to follow his own beliefs about right and wrong. The ending will surprise readers, challenging them to puzzle over Bryon's dilemma in their own hearts.

Review

"A mature, disciplined novel which excites a response in the reader . . . Hard to forget."—The New York Times

"This unforgettable classic still packs a powerful message even after nearly thirty years in print."—Children's Literature

From the Publisher

"Byron, who tells the story...feels Mark is his brother. But when he sees the effect of drugs on a gentle, friendly, young boy and discovers that Mark is a pusher, he calls the police. He hates himself for the betrayal of his friend but he's been a tough kid on the fringe of delinquency and he's aware of what happens beyond the fringe."--Saturday Review. An ALA Notable Children's Book, An ALA Best of the Best Books for Young Adults.

I hate Bryon Douglas.

By danyelle

The first time I read this book I was 13 and I loved it. I couldn't relate and it angered the hell out of me but u loved it anyway. I read it again at 15 and I got a new feeling because I understood what it was like to lose friends and now I'm a senior and about to go off to college and I'm more pissed than the first time I read it and I just can't believe how things turn out. I hate bryon Douglas and I will hate bryon Douglas for the rest of my life to grow apart from your friends is one thing but friends don't turn on friends. I hate him and everything does and everything he stands for and I hate how he tries to justify his actions. I hate him.

A Powerful and Compelling Coming of Age Story

By Jiang Xueqin

"That was Then, This is Now" centers around the lives of four adolescents. There is the narrator, Byron Douglas, a handsome charming but ultimately selfish and self-absorbed teenager. There is Mark, whom Byron's mother adopted for her own and who is Byron's best friend. Mark's penchant for mischief is too often offset by his winning smile, and he maintains a fierce loyalty to his friends. The two minor but equally important characters are Cathy, a precocious young woman who falls in love with Byron, and her younger brother M&M, a sensitive and soulful hippie wannabe.

The book moves in different actions so that it seems we're reading two novels about two brothers and best friends. In the first novel, Mark and Byron are always by each other's side, and together they witness the fearsome murder of their good friend Charlie, which scars both. In the second novel, there's a love triangle -- Byron has fallen deeply in love with Cathy, and Mark feels abandoned. The novel comes to a climax when Byron commits an act that will forever severe his relationship with both Mark and Cathy.

Like in "The Outsiders", SE Hinton has a gift for understanding and speaking the language of troubled adolescent boys, making us think she is in fact one herself. And the writing is pristine and polished, as always. But the characters are far less compelling than the ones we were entranced by in "The Outsiders," and the plot far more fragile and broken.

Still, many a teenager will find "That was Then, This is Now" speaks to them in the most haunting manner possible.

Good service.

By jasmine

This was very good quality service. After I finished the book, I wanted to hurl it across the room (in a good way, you know how us book lovers are, very passionate) and scream. But, I couldn't, because I was in class. This story was very, very good. One of my favorites by S.E. Hinton. I would recommend it to fans of The Outsiders, or any of her other books really. Along with that, anyone who enjoys Realistic-Fiction, and

coming of age type stories.
