Only 14 Lame Ideas Repeated Over and Over

By Kindle Customer

I saw this advertised in a national magazine as a gift to give for Christmas. It's just 14 different pages that are not ideas just lame childish looking pages titled "Idea, Prepare To Be Branstormed", "Bound for Something Big", "Weird Ideas Are Welcomed and Encouraged", "Eureka!!!" etc. Sooo annoyed I bought it. Not worth paying the return costs. I will be sooo mad when I find it in a dollar store next year.

Write it down Make it happen

By Amazon Customer

In one respect, its just a notebook with colorful paper for writing down ideas. In another respect its a simple way to tell the inventors and dreamers in your life that you believe in their creativity and hope to see their big ideas go from paper to reality.

Big fun Pad

By J. Neumaier

So fun! Love this inspiring pad, different designs. My dad loved it, although it's just a fun quirky thing. Not serious business, but a nice gesture.
