This book read my MIND!

By MMcdo40280@aol.com, Michelle B. McDougal

.This book is excellent. Lisa walks you through pages of reflections of her life and in turn has you do the same of your own. I was so blessed and inspired when I finished this book. To those who are going to buy this book, (and I highly recommend it, as a matter of fact, I am ordering copies as gifts right now) find a quiet place, search your heart chapter after chapter, and rid yourself of that OLD baggage and find a new way to think about yourself and others.

God has really opened my mind to the way we as women should measure ourselves and stop focussing on our outer-self so much.

Seeing myself as God sees me!

By A Customer

What insight into the parables of Christ which changed my perception of myself. Honesty is a must. I had not seen myself through the eyes of truth. The truth will set you free. This book is about the inside of you. If my heart is right with Christ then I will strive to be like Him. This book helped me to look at myself spiritually. It will help you become more concerned with the beauty on inside instead of the physical beauty which so many are concerned with today. I want to be a beautiful woman on the inside and the beauty will shine through. My Thanks for revealing God's truth for me.

...Didn't expect it to be so good and life applicable

By J. Francis

I really bought this book to do a study with another woman who was having a problem seeing who she is in Christ. Once I started reading my copy I realized this book was FOR ME! (I still gave the other woman her copy). Each chapter encouraged me to search deep and tell the truth about how I feel about and measure myself. I am not a woman with low self esteem, but this book helped me to see some areas where I used incorrect weights to measure who I am and my value. Oh my, this is a MUST READ! and a MUST APPLY TO YOUR LIFE!!!

Free yourself of incorrect measures, learn your TRUE VALUE - GET THE BOOK! You'll be glad you did.

Enjoy.
