Great Book For Beginners

By W. Cody

Im very new in starting my vape online business all I do is vape but I didnt know the business side of it and I got this book and it taught me a lot more about the vaping business than what I thought it was and I would say to anyone starting a vape business to start off by reading this book before you start if you are as green as I am it could change the ideas you may have to make them better ideas and can help you avoid some of the

pitfalls.

Awesome read!

By lcd pro

Very in depth book on the vaping industry and insider tips on opening a vape shop and great examples of what others are doing in this space!

A must have book

By Charles Huff

This book is an awesome resource. I enjoyed reading the stories of other people who, like myself, are just starting out in the business. Good information!
