The 'Visual Materia Medica of Chinese Herbs' is a concise, organized, and beautiful photo identification guide for over 350 common Traditional Chinese Medicine (TCM) herbs.

Used by students, teachers, practitioners, and doctors in universities and clinics around the world, the 'Visual Materia Medica of Chinese Herbs' is the de facto standard for Chinese herb photo identification. Students use it to replace long hours in the herb room or having to carry herb samples. Doctors and practitioners can quickly cross reference Latin, English, and Pinyin names, as well as glance at the Chinese characters, properties, temperatures, and channels. The book has been used for everything from classroom lectures to USDA import inspection.

Each Chinese Herb Features:

- Pinyin name with tone marks
- Common English name
- Latin/Pharmaceutical name
- Chinese name (Chinese characters)
- Temperature scale
- Channels entered
- Herb properties

Over 350 hi-res color photos, 32 herb categories, table of contents, multiple indices, 112 pages. The 2nd edition fixes all of the errors since the 1st edition, correcting herbs that were adulterated, replacements, or mislabeled.

Highly recommended!

By David M. Phelps, L.Ac.

Quick and easy reference to keep in clinic and especially for students of TCM. Really helps to sharpen your skills with herb identification and their properties. It's definitely much better than carrying herb samples around. Pictures are really nice and have the correct herbs being identified. You won't be sorry you bought it!

TCM student should have this book.

By Chino Mom

This book help me study the herbal medicine. It was categorized in the herbal action. Index are both Pinyin and Latin name which is very easy for you to flip back and forth. The picture are very clear. I recommended this book to few friends and they're love it. One of my friend order two books and she cut the picture and put in her flash card to help her study for the board exam. Even you are not TCM student, this book was great for people who are interested in used of natural herb, a lot of Chinese medicine are the fruit and vegetables you can found in supermarket.
