Of course, it will not obligate you to take several web pages. Merely web page by web page depending upon the moment that you need to check out [Wish: 1 \(Faerieground\) By Beth Bracken](#)

From School Library Journal

Gr 4–8—Plot, premise, and artistic presentation are the strengths of this riveting fantasy. Best friends Soli and Lucy both give their distinct perspectives of the events that transpire in the forested Faerieground. The authors weave a compelling tale of adventure and friendship in alternating chapters, accentuated with the ongoing suspense of a numinous quest that frequently tests the strength and character of these relatable protagonists. Soli must rescue Lucy from the hands of an evil Queen after she hastily wishes her friend away during an argument. Each girl discovers secrets about Faerieground and the roles they are destined to play. Pen-and-ink drawings, enhanced with digital painting and photography, draw readers into this magical kingdom where a battle for freedom, life, and love ensues. The stunning realism of the illustrations provides an ironic and vivid visual backdrop for this charming coming-of-age narrative.—Magdaline Henderson-Diman, formerly at Bass Harbor Memorial Library, Bernard, ME

WISHES HAVE COST! FAST PACED AND SURE TO PLEASE YOUNG READERS..

By My Book Addiction and More

FAERIEGROUND: WISH by Beth Bracken & Kay Fraser is a fast paced Young readers, ages 10-14 read with beautiful illustrations. First in the "Faerieground" series. Step into Willow Forest, make a wish and end up in Faerieground. Wishes may come true but at what cost, nothing is free so two young girls will learn. Filled with action, magic, friendship, growing up, love, and the power of wishes. Follow Soli and Lucy on an adventure of a lifetime. Ask yourself this question, what would you do for a friend? Young readers are sure to enjoy "Faerieground: Wish". I know I did and hope to read the next installment. Received for an honest review from the publicist.

RATING: 5

HEAT RATING: NONE (YOUNG READERS, AGES 10-14)

The illustrations will take your breath away!

By The Write Edge

When a pair of best friends has a make-or-break disagreement, they try to sort out their differences. Unfortunately the friend who feels wronged utters a momentary urge--an expression of anger--and everything changes when the other friend disappears. The friend who made the wish realizes her mistake and decides to do what she can to bring her friend back, even if that means facing issues of her past. Authors Beth Bracken and Kay Fraser offer young adult readers this tale on a canvas of lush illustrations by the incredibly talented Odessa Sawyer in *Wish*, the first book in the "Faerieground" series.

Best friends Soli (short for Soledad) and Lucy have known one another their entire lives. Soli hides behind Lucy's bravado and popularity; she is the shadow to Lucy's light. Lucy accepts her role as Soli's protector and the leader, and yet both girls have recently started chafing under their self-applied labels. They're content to keep those labels for the moment. But then Soli meets a boy she likes. And Lucy kisses him.

Lucy half regrets the private moment, but only half. Still, she tries to apologize to Soli, and Soli refuses to accept her apology. To get away from Lucy Soli runs into the woods--the same woods that rumors say houses fairies. The same woods where Lucy knows wishes come true. Any wishes, even if the person wishing doesn't possess full understanding of the outcome of the wish. Lucy follows Soli, and Soli wishes Lucy was gone. Suddenly, without warning, Lucy disappears. And Soli realizes she has made a terrible mistake. When she tries to follow Lucy, Soli learns that her wish has set into motion a series of events that connect her to her mysterious past--and a future she could never have imagined.

Authors Bracken and Fraser don't bombard their readers with dozens of details on Soli and Lucy's lives. In fact, the authors tell the girls' story with a minimal amount of words. Some readers might wish for more information, but many others will appreciate the sparse language. Using fewer words allows readers to sink into illustrator Odessa Sawyer's incredible portraits throughout the story.

Sawyer has worked hand in hand with the authors and truly brought the story to life. Readers will enjoy the full impact of the lyrical quality of the words thanks to the illustrations that demand attention. On first glance the illustrations appear simple, but a closer look reveals the layers of detail that Sawyer has built into each page. From the whimsical double-page spread of a look at the faerie ground to the solemn portrait of Soli discovering she holds a jar of fireflies to the vivid climax toward the end of Soli accepting her fate, Sawyer draws readers into the novel and heightens its dramatic and emotional impact.

This reviewer highly recommends this book for all readers 10 and up. Anyone who enjoys fantasy will appreciate the artistry of this first "Faerieground" installment, and this reviewer certainly looks forward to

future segments of the story.

Short Entertaining, Read

By Elizabeth

3.5 Stars

Wish: Faerieground is the first book on a series of four about Soli and Lucy. I enjoyed it.

Lucy is light, while Soli is dark. They are thirteen, best friends and complete opposites. They have played in the woods all their lives; it's their secret shortcut, even though Lucy's mom has warned them to not go there. One day, Soli makes a wish that has rather big repercussions.

Beautiful art!

This is the start of their adventure, as they encounter very different fates while in Faerieground. These faeries are not the Tinker Bell type, they are quite scary and mean. Especially Queen Calandra, she is awful.

At the end, Lucy and Soli turned out to be good friends and look out for each other, trying hard to do everything possible to overcome the mess they got themselves into. Kheelan is also a faery, but he seems to be a good one and he took an instant liking to Soli. Since the book is not lengthy, the characters were a little hard to get to know, mainly because we are told about them and their relationship, instead of shown, for instance by the use of flashback or dialogue.

Faerieground is really easy to read and it's short. In fact, I found it too short, but I understand that more is to come in the series. The story is told from alternating points of view, in the first person from Lucy and Soli's perspective. The plot is simple and a bit predictable, but I'm eager to see what happens next. One of the best things about the book is the amazingly beautiful illustrations. Overall, Wish: Faerieground is a short, entertaining read.

About the cover: The cover is really pretty, as are all the illustrations in the book.
